

PA PUBLIC SCHOOL CLEARANCE PROCEDURES for EMPLOYMENT

PA Public School Code Section 1-111 requires all applicants for employment and contractors with PA public schools to undergo background checks and report arrests and convictions to school officials through the PDE-6004 form. Clearances must be less than one year old at the time of hire/contracting.

The cost of clearances is the responsibility of the applicant/contractor. You must send a money order for mailed forms, personal checks will not be accepted. When clearances are processed by mail, the originals must be viewed by a Southern Tioga School District (STSD) employee and a copy will be made and retained at STSD. For electronic clearances, print-out and provide a copy of the results with your application. Forms are also available at www.southerntioga.org, employment opportunities.
