

PLANNED INSTRUCTION
Science
7th grade-12th grade
APRIL 27 - May 6, 2020

Welcome to your Science Capstone Project! This is your guide for completing Science for the 19-20 academic school year.

How do I complete the Science Capstone Project?

- Log onto your Southern Tioga Email
- Enroll in your new Science Capstone Class (you should have received an email from your English teacher)
 - If you do not have internet access, you should be receiving a flash drive. If you don't receive one, please call the high school office and leave a message with your name and phone number.
- Read the directions carefully
- Plan your time wisely
- Complete the activities
- Visit with your teacher during office hours for guidance and assistance (posted in the google classroom)
- Submit your completed project by May 6, 2020

How will this project be graded?

The purpose for the 4th marking period is to engage all students in learning. The expectation is that students participate and complete the capstone project. This project will be evaluated on a Pass/No Credit basis and attendance will be tracked on weekly participation and work completion.

What about all of my other classes?

All other classes will continue to operate under Review and Enrichment and new activities will be posted weekly.

What if I need help with technology?

For more information about Google Classroom, watch the following tutorials:

[Google Classroom Part 1](#)

[Google Classroom Part 2](#)

For help with your computer, use the IT ticket:

[Tech Ticket Tutorial](#)

What if I need more information?

Watch Mr. Rotella's [video](#)

View the "Remote Learning [Frequently Asked Question](#)" Sheet.

Remember, this project is due May 6, 2020. Good luck!
